Past Due Accounts for Plan Review and Inspection Fees

(Bel Air, MD) - - Harford County Department of Public Works will enforce an existing policy where the county will cease plan reviews or inspections on a project that has unpaid invoices that are in areas of more than 60 calendar days.

A recent review of past due accounts for county plans review and inspection fees shows an increase in unpaid invoices in the range of 60 days or more. The unpaid invoices are required under the Fee Authorization Letter, which is executed by the developer, to be paid within 45 days.

For more information, please contact Timothy White, Director of the Department of Public Works at 410-638-3285.
